# Chapter 1      Licensing of Dogs and Regulation of Animals

## **Section 7-1-1      Dog License Required; Definitions**

- a) **License Required.** It shall be unlawful for any person in the Village of Adell to own, harbor or keep any dog for more than five (5) months of age after July 1 of the license year without complying with the provisions of this Chapter and Sections 174.05 through 174.10, Wis. Stats., relating to the listing, licensing and tagging of the same.
- b) **Definitions.** In this Chapter, unless the context or subject matter otherwise require:
- 1) **Owner.** Any person owning, harboring or keeping a dog or cat and the occupant of any premises on which a dog or cat remains or to which it customarily returns daily for a period of ten (10) days; such person is presumed to be harboring or keeping the dog or cat within the meaning of this Section.
  - 2) **At large.** To be off the premises of the owner and not under the control of some person either by leash or otherwise, but a dog or cat within an automobile of its owner, or in an automobile of any other person with the consent of the owner of said dog or cat, shall be deemed to be upon the owner's premises.
  - 3) **Dog.** Any canine, regardless of age or sex.
  - 4) **Cat.** Any feline, regardless of age or sex.
  - 5) **Neutered.** A dog or cat having nonfunctional reproductive organs.
  - 6) **Animal.** Mammals, reptiles and birds.
  - 7) **Cruel.** Causing unnecessary and excessive pain or suffering or unjustifiable injury or death.
  - 8) **Law Enforcement Officer.** Has that meaning as appears in Sec. 967.02(5), Wis. Stats., and includes a humane officer under Sec. 58.07, Wis. Stats., but does not include a conservation warden appointed under Sec. 23.10, Wis. Stats.

  - 10) **Pet.** An animal kept and treated as a pet.
  - 11) **Residential Lot.** A parcel zoned as residential, occupied or to be occupied by a dwelling, platted or unplatted and under common ownership. For the purpose of this Chapter, any vacant parcel or parcels adjoining a dwelling and under the same ownership shall constitute one (1) lot.
  - 12) **Restrain.** Includes notifying the dog or cat's owner or an officer and requesting either the owner or officer to capture and restrain the dog or cat, or capturing and restraining the dog or cat, and killing the dog or cat if the circumstances require immediate action.

*State Law Reference:* Sections 174.05 through 174.10, Wis. Stats.

## **Section 7-1-2      Rabies Vaccination Required for License**

- a) **Rabies Vaccination.** The owner of a dog shall have the dog vaccinated against rabies by a veterinarian within thirty (30) days after the dog reaches four (4) months of age and revaccinated within one (1) year after the initial vaccination. If the owner obtains the dog or brings the dog into the Village of Adell after the dog has reached four (4) months of age, the owner shall have the dog vaccinated against rabies within thirty (30) days after the dog is brought into the Village unless the dog has been vaccinated as evidenced by a current certificate of rabies vaccination. The owner of a dog shall have the dog revaccinated against rabies by a veterinarian before the date of that immunization expires as stated on the certificate of vaccination or, if no date is specified, within two (2) years after the previous vaccination. The certificate of vaccination shall meet the requirements of Sec. 95.21(2), Wis. Stats.

- b) **Issuance of Certificate of Rabies Vaccination.** A veterinarian who vaccinates a dog against rabies shall complete and issue to the owner a certificate of rabies vaccination bearing a serial number and in the form approved by the Village stating the owner's name and address, the name, sex, spayed or unspayed, neutered or unneutered, breed and color of the dog, the date of the vaccination, the type of rabies vaccination administered and the manufacturer's serial number, the date that the immunization expires as specified for that type of vaccine by the Center for Disease Control of the U.S. Department of Health and Human Services and the Village.
- c) **Copies of Certificate.** The veterinarian shall keep a copy of each certificate of rabies vaccination in a file maintained for this purpose until the date that the immunization expires or until the dog is revaccinated, whichever occurs first.
- d) **Rabies Vaccination Tag.** After issuing the certificate of rabies vaccination, the veterinarian shall deliver to the owner a rabies vaccination tag of durable material bearing the same serial number as the certificate, the year the vaccination was given and the name, address and telephone number of the veterinarian.
- e) **Tag to be Attached.** The owner shall attach the rabies vaccination tag or a substitute tag to a collar and a collar with the tag attached shall be kept on the dog at all times, but this requirement does not apply to a dog during competition or training, to a dog while hunting, to a dog securely confined indoors or to a dog securely confined in a fenced area. The substitute tag shall be of a durable material and contain the same information as the rabies vaccination tag. The requirements of this paragraph do not apply to a dog which is not required to be vaccinated under Subsection (a).
- f) **Duplicate Tag.** The veterinarian may furnish a new rabies vaccination tag with a new serial number to an owner in place of the original tag upon presentation of the certificate of rabies vaccination. The veterinarian shall then indicate the new tag number on the certificate and keep a record in the file.
- g) **Cost.** The owner shall pay the cost of the rabies vaccination and the cost associated with the issuance of a certificate of rabies vaccination and the delivery of a rabies vaccination tag.

### **Section 7-1-3 Issuance of Dog and Multiple Dog (Kennel) Licenses**

#### **a) Dog Licenses.**

- 1) It shall be unlawful for any person in the Village of Adell to own, harbor or keep any dog more than five (5) months of age without complying with the provisions of Sec. 174.05 through Sec. 174.10, Wisconsin Statutes, relating to the listing, licensing and tagging of the same.
- 2) The owner of any dog more than five (5) months of age on January 1 of any year, or five (5) months of age within the license year, shall annually, or on or before the date the dog becomes five (5) months of age, pay a license tax and obtain a license.
- 3) The minimum license tax under this Section shall be:
  - a) Neutered males and spayed females: As prescribed in Section 1-3-1.
  - b) Unneutered males and unspayed females: As prescribed in Section 1-3-1.
- 4) Upon payment of the required license tax and upon presentation of evidence that the dog is currently immunized against rabies, as required by Section 7-1-2 of this Chapter, the Village Clerk-Treasurer shall complete and issue to the owner a license for such dog containing all information required by state law. The Village Clerk-Treasurer shall also deliver to the owner, at the time of issuance of the license, a tag of durable material bearing the same serial number as the license, the name of the county in which issued and the license year.
- 5) The owner shall securely attach the tag to a collar and the collar with the tag attached shall be kept on the dog for which the license is issued at all times, except as provided in Section 7-1-2(e).

- 6) The fact that a dog is without a tag attached to the dog by means of a collar shall be presumptive evidence that the dog is unlicensed. Any law enforcement or humane officer shall seize, impound or restrain any dog for which a dog license is required which is found without such tag attached.
  - 7) Notwithstanding the foregoing, every dog specifically trained to lead blind or deaf persons is exempt from the dog license tax, and every person owning such a dog shall receive annually a free dog license from the Village Clerk-Treasurer upon application therefore.
- b) **Kennel Licenses.**
- 1) Any person who keeps or harbors multiple dogs may, instead of the license tax for each dog required by this Chapter, apply for a multiple dog license for the keeping or harboring multiple dogs. Such person shall pay for the license year a license tax as prescribed in Section 1-3-1 for twelve (12) or fewer dogs plus an additional for each dog in excess of twelve (12). Upon payment of the required multiple dog license tax and, if required by the Village Board, upon presentation of evidence that all dogs over five (5) months of age are currently immunized against rabies, the Village Clerk-Treasurer shall issue the multiple dog license and a number of tags equal to the number of dogs authorized to be kept. Kennels may only be located in residential areas following a public hearing and approval by the Village Board; the Board may attach conditions to such approval as a conditional use under the Village's Zoning Code.
  - 2) The owner or keeper of multiple dogs shall keep at all times a multiple dog license tag attached to the collar of each dog over five (5) months old kept by the owner or keeper under a multiple dog license but this requirement does not apply to a show dog during competition, to a dog securely confined indoors or to a dog securely confined in a fenced area. These tags may be transferred from one dog to another within the kennel whenever any dog is removed from the kennel. The rabies vaccination tag or substitute tag shall remain attached to the dog for which it is issued at all times but this requirement does not apply to a show dog during competition, to a dog securely confined indoors or to a dog securely confined in a fenced area. No dog bearing a multiple dog tag shall be permitted to stray or to be taken anywhere outside the limits of the kennel unless the dog is in leash or temporarily for the purposes of hunting, breeding, trial, training or competition.
  - 3) The term "kennel" means any establishment wherein or whereon three (3) or more dogs are kept.
  - 4) No multiple dog licenses shall be issued to the keeper or operator of a kennel who fails to provide proper food and drink and proper shelter for the dogs in said kennel or who neglects or abandons said dogs. Designated officials shall investigate any complaints regarding the failure to maintain proper standards or investigate any kennel premises upon his/her initiative. Expressly incorporated by reference in this Section as minimum standards for kennel keepers or operator are the relevant provisions of Ch. 951, Wis. Stats.
  - 5) A condition of a multiple dog license shall be that the licensed premises may be entered and inspected at any reasonable hour by appropriate Village officials without any warrant, and the application for a license hereunder shall be deemed consent to this provision. Any refusal to permit such inspection shall automatically operate as a revocation of any license issued hereunder and shall be deemed a violation of this Section. Should any kennel be found to constitute a public nuisance, the license shall be revoked and the nuisance abated pursuant to Village ordinances.

State Law Reference: Sec. 174.053, Wis. Stats.

## **Section 7-1-4 Late Fees**

The Village Clerk-Treasurer shall assess and collect a late fee of Ten Dollars (\$10.00) from every owner of a dog five (5) months of age or over if the owner failed to obtain a license prior to April 1 of each year, or within thirty (30) days of acquiring ownership of a licensable dog or if the owner failed to obtain a license on or before the dog reached licensable age. Said late fee shall be charged in addition to the required license fee.

## **Section 7-1-5 Rabies Quarantine**

- a) **Dogs and Cats Confined.** If a district is quarantined for rabies, all dogs and cats within the Village shall be kept securely confined, tied, leashed or muzzled. Any dog or cat not confined, tied, leashed or muzzled is declared a public nuisance and may be impounded. All officers shall cooperate in the enforcement of the quarantine. The Village Clerk-Treasurer shall promptly post in at least three (3) public places in the Village notices of quarantine.
- b) **Exemption of Vaccinated Dog or Cat from Village Quarantine.** A dog or cat which is immunized currently against rabies, as evidenced by a valid certificate of rabies vaccination or other evidence is exempt from the Village quarantine provisions of Subsection (a) if a rabies vaccination tag or substitute tag is attached to the dog's or cat's collar.
- c) **Quarantine or Sacrifice of an Animal Suspected of Biting a Person or Being Infected or Exposed to Rabies.**
  - 1) **Quarantine or sacrifice of dog or cat.** A law enforcement officer or animal warden shall order a dog or cat quarantined if the officer has reason to believe that the animal bit a person, is infected with rabies or has been in contact with a rabid animal. If quarantine cannot be imposed because the dog or cat cannot be captured, the officer may kill the animal. The officer shall attempt to kill the animal in a humane manner and in a manner which avoids damage to the animal's head.
  - 2) **Sacrifice of other animals.** An officer may order killed or may kill an animal other than a dog or cat if the officer has reason to believe that the animal bit a person or is infected with rabies.
- d) **Quarantine of Dog or Cat.**
  - 1) **Delivery to isolation facility or quarantine on premises of owner.** An officer or animal warden who orders a dog or cat to be quarantined shall deliver the animal or shall order the animal delivered to an isolation facility as soon as possible but no later than twenty-four (24) hours after the original order is issued or the officer may order the animal to be quarantined on the premises of the owner if the animal is immunized currently against rabies as evidenced by a valid certificate of rabies vaccination or other evidence.
  - 2) **Health risk to humans.** If a dog or cat is ordered to be quarantined because there is reason to believe that the animal bit a person, the custodian of an isolation facility or the owner shall keep the animal under strict isolation under the supervision of a veterinarian for at least ten (10) days after the incident occurred. In this paragraph, "supervision of a veterinarian" includes, at a minimum, examination of the animal on the first day of isolation, on the last day of isolation and on one (1) intervening day. If the observation period is not extended and if the veterinarian certifies that the dog or cat has not exhibited any signs of rabies, the animal may be released from quarantine at the end of the observation period.
  - 3) **Risk to animal health.**
    - a) If a dog or cat is ordered to be quarantined because there is reason to believe that the animal has been exposed to a rabid animal and if the dog or cat is not currently immunized against rabies, the custodian of an isolation facility or the owner shall keep the animal leashed or confined for one hundred eighty (180) days. The owner shall have the animal vaccinated against rabies between one hundred fifty-five (155) and one hundred sixty-five (165) days after the exposure to a rabid animal.

- b) If a dog or cat is ordered to be quarantined because there is reason to believe that the animal has been exposed to a rabid animal but if the dog or cat is immunized against rabies, the custodian of an isolation facility or the owner shall keep the animal leashed or confined for sixty (60) days. The owner shall have the animal revaccinated against rabies as soon as possible after exposure to a rabid animal.
- 4) **Destruction of a dog or cat exhibiting symptoms of rabies.** If a veterinarian determines that a dog or cat exhibits symptoms of rabies during the original or extended observation period, the veterinarian shall notify the owner and the officer who ordered the animal quarantined and the officer of veterinarian shall kill the animal in a humane manner and in a manner which avoids damage to the animals head. If the dog or cat is suspected to have bitten a person, the veterinarian shall notify the person or the person's physician.
- e) **Delivery of Carcass; Preparation; Examination by Laboratory of Hygiene.** An officer who kills an animal shall deliver the carcass to a veterinarian or local health department. The veterinarian or local health department shall prepare the carcass, properly prepare and package the head of the animal in a manner to minimize deterioration, arrange for delivery by the most expeditious means feasible of the head of the animal to the State Laboratory of Hygiene and dispose of or arrange for the disposal of the remainder of the carcass in a manner which minimizes the risk or exposure to any rabies virus. The Laboratory of Hygiene shall examine the specimen and determine if the animal was infected with rabies. The State Laboratory of Hygiene shall notify the Village, the veterinarian or local health department which prepared the carcass and, if the animal is suspected to have bitten a person, that person or the person's physician.
- f) **Cooperation of Veterinarian.** Any practicing veterinarian who is requested to be involved in the rabies control program by an officer is encouraged to cooperate in a professional capacity with the Village, the Laboratory of Hygiene, the local health department, the officer involved and, if the animal is suspected to have bitten a person, the person's physician.
- g) **Responsibility for Quarantine and Laboratory Expenses.** The owner of an animal is responsible for any expenses incurred in connection with keeping the animal in an isolation facility, supervision and examination of the animal by a veterinarian, preparation of the carcass for laboratory examination and the fee for the laboratory examination. If the owner is unknown, the county is responsible for these expenses.

**Section 7-1-6 Restrictions on Keeping of Dogs, Cats, Fowl and Other Animals**

- a) **Restrictions.** It shall be unlawful for any person within the Village of Adell to own, harbor or keep any dog or cat which:

- b) **Vicious Dogs and Animals.**
  - 1) A "vicious dog or other animal" shall be defined as follows: Any dog or other animal shall be deemed and be presumed to be vicious if, at any time, it bites and inflicts a serious injury to any person or persons two (2) or more times during the dog's or animal's life under unprovoked circumstances and while off the dog's or animal owner's, keeper's or caretaker's

premises or property. If the dog or other animal inflicts serious injury in a manner other than biting, said dog or other animal shall also be deemed and presumed to be vicious under this Section.

- 2) A "serious injury" shall be defined as any abrasions, bruising, cuts, broken bones, lacerations, internal injuries, torn or pulled ligaments or muscles, head injuries, or any other such similar condition.
- 3) No vicious dog or other animal as defined herein shall be allowed to be owned, kept, harbored, maintained, or cared for within the Village of Adell corporate limits, by any person or legal entity.

c) **Penalty for Keeping Vicious Dogs or Animals in Violation of Subsection (b).**

- 1) Any person convicted of violating Subsection (b) above shall pay a forfeiture of Five Hundred Dollars (\$500.00) together with all costs and assessments. Each day that a person owns, harbors, keeps, maintains or cares for any vicious dog or other animal in violation of this Section may be deemed a separate and distinct violation, subject to separate citations and convictions. Furthermore, any violation of Subsection (b) above shall result in a further penalty of having the subject animal or dog impounded by any law enforcement or animal control officer of the Village of Adell, or any law enforcement or animal control officer of any jurisdiction authorized by the Village of Adell to enforce or effectuate the Village of Adell ordinances.
- 2) In the event that any vicious dog or animal has been impounded, said dog's or animal's owner shall be required to make arrangements to have said animal removed from the corporate limits of the Village of Adell within seven (7) days of impoundment. In the event any impounded animal has not had arrangements made to remove said animal from the corporate limits of the Village of Adell within said seven (7) day period, any law enforcement officer or animal control officer for the Village of Adell shall be authorized to destroy said animal.

d) **Potentially Dangerous Dog or Other Animal.**

- 1) **Definitions.** "Potentially dangerous dog or other animal" means the following:
  - a) Any dog or other animal which, when unprovoked, on two (2) separate occasions within the immediate prior thirty-six (36) month period, engages in any behavior that requires a defensive action by any person to prevent bodily injury when the person and the dog are off the property of the owner or keeper of the dog.
  - b) Any dog or other animal which, when unprovoked, bites a person, causing a less severe injury than is defined in Subsection (b) (2) above.
  - c) Any dog or other animal which, when unprovoked, on two (2) separate occasions within the immediate prior thirty-six (36) month period, has killed, seriously bitten, inflicted injury or otherwise caused injury to a domestic animal off the property of the owner or keeper of the dog.
- 2) **Restrictions and Rules Regarding Potentially Dangerous Dogs or Animals.**
  - a) If a law enforcement or animal control officer for the Village of Adell or any other law enforcement agency having jurisdiction and authority to enforce this Section, has investigated and determined that there exists probable cause to believe that a dog or other animal which is owned, harbored, kept or cared for within the Village of Adell corporate limits is potentially dangerous as that term is defined herein, the law enforcement or animal control officer for the Village of Adell or his/her designee, shall petition the Village Board for the Village of Adell, for a hearing for the purpose of determining whether or not the dog or other animal in question, should be declared potentially dangerous. Whenever possible, any complaint received from a member of the public which serves as part of the evidentiary basis for the animal control officer or law enforcement officer to find probable cause, shall be sworn to and verified by the complainant and shall be attached to the aforementioned petition. Notice of the hearing

before the Village Board shall be given to the owner, caretaker or keeper of the dog or animal in question no less than seven (7) days prior to said hearing, with said notice, together with a copy of the petition, and all sworn complaints to be either served personally, or by first class mail with return receipt requested. All hearings under this Section shall be open to the public.

- b) The hearing body, which shall be the Village Board for the Village of Adell, may admit all relevant documents and testimony into evidence including incident reports and affidavits of witnesses, photographs, and personal testimony. The Village Board for the Village of Adell shall be the exclusive trier of the issue of whether a dog or other animal is determined to be potentially dangerous. For the Village Board of the Village of Adell to determine that a dog or other animal is potentially dangerous, there must be a preponderance of the evidence to establish the same.
- c) Any owner, harbinger, keeper, caretaker, or other interested party who is aggrieved by any decision of the Village Board under this Section shall have the right to appeal the same by filing an action for certiorari with the Circuit Court no more than thirty (30) days from the date that said aggrieved person had received written notice of the Village Board's decision on whether a dog or other animal is potentially dangerous.
- d) After the hearing conducted pursuant to Section 7-1-6(d)(2)a above, the owner, keeper, harbinger or caretaker of the dog or other animal shall be notified in writing of the determination and orders issued, either personally or by first class mail return receipt requested. If a determination is made that a dog or other animal is potentially dangerous as herein provided, the owner, keeper, harbinger or caretaker shall comply with Section 7-1-6(d)(2)h and in accordance with the time schedule established by a chief law enforcement officer or animal control officer of the Village of Adell, but in no case more than thirty (30) days after the date of the determination, or thirty-five (35) days if the notice of the determination is mailed to the owner, keeper, harbinger or caretaker of the dog or other animal.
- e) No dog or other animal may be declared potentially dangerous if any injury or damage is sustained by a person who, at the time the injury or damage was sustained, was committing a willful trespass or other tort upon premises occupied by the owner, keeper, harbinger or caretaker of the dog or other animal, or was teasing, tormenting, abusing, or assaulting the dog or other animal, or was committing or attempting to commit a crime. No dog or other animal may be declared potentially dangerous if the dog or other animal was protecting or defending a person within the immediate vicinity of the dog from an unjustified attack or assault. No dog or other animal may be declared potentially dangerous if an injury or damage was sustained by a domestic animal which, at the time of the injury, or damage was sustained, was teasing, tormenting, abusing or assaulting the dog or other animal.
- f) No dog or other animal may be declared potentially dangerous if the injury or damage to a domestic animal was sustained while the dog was working as a hunting dog, herding dog, or predator control dog on the property of or under the control of its owner, keeper, harbinger or caretaker, and the damage or injury was to a species or type of domestic animal appropriate to the work of the dog.
- g) No dog or other animal may be declared potentially dangerous if the injury or damage to another domestic animal was sustained while on the property or premises of the owner, harbinger, keeper or caretaker of the dog or other animal, and the injured domestic dog or animal was upon the property not owned or maintained by the owner of the injured or damaged domestic animal.
- h) All potentially dangerous dogs or other animals shall be properly licensed and vaccinated. The licensing authority for the Village of Adell shall include the potentially dangerous designation in the registration records of the dog, either after the owner or

keeper of the dog has agreed to the designation or the Village Board, after hearing, has determined the designation applies to the dog. The Village of Adell may charge a potentially dangerous dog fee in addition to the regular licensing fee as to provide for the increased cost of maintaining the records of the dog.

- i) A potentially dangerous dog or other animal, while on the owner's property, shall at all times, be kept indoors or in a securely fenced yard from which the dog cannot escape and into which children cannot trespass. A potentially dangerous dog or other animal may be off the owner's premises only if it is restrained by a substantial leash, of appropriate length, and muzzled, and if it is under the control and supervision of a responsible adult while being restrained by said leash and muzzle.
  - j) If a potentially dangerous dog or other animal dies, or is sold, transferred or permanently removed from the Village of Adell where the owner, harborer, keeper or caretaker so resides, said person who owns, keeps, harbors, or caretakes a potentially dangerous dog or other animal shall notify the Village President, law enforcement officer for the Village of Adell or the animal control officer of the change in condition or new location of the potentially dangerous dog or other animal in writing within forty-eight (48) hours of said dog or other animal's remove.
- e) **Penalty for Violations of Subsection (d) (2).** Any person or entity convicted of violating Section 7-1-6(d) (2) shall pay a forfeiture of Two Hundred Fifty Dollars (\$250.00), together with all costs and assessments. Each day that a person owns, harbors, keeps, maintains or cares for any potentially dangerous dog or other animal in violation of Section 7-1-6(d)(2), may be deemed separate and distinct violations, subject to separate citations and convictions. Furthermore, any violation of Section 7-1-6(d) (2) shall result in a further penalty of having the subject animal or dog impounded by any law enforcement or animal control officer of the Village of Adell, or any law enforcement or animal control officer of any jurisdiction authorized by the Village of Adell to enforce or effectuate the Village of Adell ordinances, may impound any dog or other animal which is subject to Section 7-1-6(e) (2). In the event that any restricted or prohibited animal or other vicious or potentially vicious animal or dog has been impounded, said dog's or animal's lawful owner shall be required to make arrangements to have said animal removed from the corporate Village of Adell limits within seven (7) days of impoundment.
